## PERSONAL SUMMARY

An ambitious problem solver with a passion for online businesses, and who would like to join a team of like-minded developers. David hope to build much experience of creating logical and innovative solutions to complex problems.

He aims thoroughness and preciseness in everything he does, and has a keen interest in technology, mobile applications and user experience. As someone who takes responsibility for his own personal development, he is continually evaluating and upgrading his skills so that he stays at the cutting edge of web development. He is a natural problem solver, who has proven herself by successfully completing projects for individuals.

Right now David is looking for a suitable position with a company where outstanding performance is recognised and where he can work on a variety of high profile projects.
